## LETTER FROM OUR NEW HEAD OF SCHOOL

"Have you not known? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He does not faint or grow weary; his understanding is unsearchable." Isaiah 40:21

Summer means excitement and change at LOGAN Hope. As summer break begins, our school is filled with students who have traded their uniforms for shorts and flip-flops. They are eagerly planning and decorating the school for our Summer Day Camp. As our building gets transformed, it is filled with anticipation of the new pace and activity that summer brings.

As a school, we are navigating through a season of change that is new to us all, as we simultaneously hold to our roots and grow in new directions. In this season, we need to fully embrace our God who does not change, who is unsearchable in His wisdom and understanding, and whose grace and love remain constant.

I am deeply encouraged by God's words to His people in Isaiah chapter 40. Seasons are always changing, just like our school from winter to spring, summer to fall. "The grass withers, the flower fades," says verse 8, "but the word of our God will stand forever."

I invite you to join with us as a school as we learn to trust God's amazing plan for our students, teachers, founders, and community!

## LOGAN HOPE 2016-17 AWARDS

This year, over 50% of our students earned nothing less than a B on all of their report cards! Honor roll is awarded to students who earned A's and B's throughout the year while the Principal Gold award reflects the students who maintained straight A's on every report card!

*Note: Kindergartners are graded on a different scale and are not eligible to receive either award.*

## 8th Grade Washington DC Trip

Thanks to one of our kind-hearted donors, the LOGAN Hope 8th Grade class were able to culminate their time at LOGAN Hope with a trip to Washington D.C. for three days.

The students were able to visit spots that they learned about this year. During the three days our class was in Washington D.C., they went to The Air and Space Museum, The Native American History Museum, The Sackler Museum of Asian Art, The African American History Museum, The Newseum and The Holocaust Museum. The students also took a night time tour of the monuments. On the last day of the trip, our students spent the day at Mt. Vernon where they participated in a "Slave Life" Tour.

## LOGAN HOPE 2017 GRADUATES

On Tuesday, June 13, 2017, our 8th graders graduated from LOGAN Hope School! Many of them have attended the school since they were in kindergarten, and are now headed off to some of the best schools in the city including Central High School and Cristo Rey High School.

We are so proud of their accomplishments and looking forward to seeing what the future holds for these students.

## AMAZON SMILE

Are you a frequent Amazon buyer? Did you know you can support LOGAN Hope on Amazon every time you shop? By using Amazon Smile and setting the non-profit/charity that you would like to support to LOGAN Hope, every time you purchase something from Amazon, a portion of the proceeds goes to our school.
