

# THE VOICE *of* HOPE

SUMMER 2019

## THE WONDER OF SUMMER

**JIM SOVOCOOL,**  
HEAD OF SCHOOL

Is summer halfway over already? This has been quite a season for us so far at LOGAN Hope. As our Summer Day Camp has been exploring the depths of God's love in our ocean-themed camp program, we have seen evidence of the depth of His love all around us. We have a chance this summer to think of what God provided for us in the past school year, both through challenges and new joys. We get to look ahead to a new school year with anticipation for the unknown things we are being called into.

In this summer season, I am celebrating God's goodness in the birth of my first child, Luke. He is a wonder beyond what I could have ever imagined. This season has brought me so much new joy and a new depth of understanding for God's love for us to call us His children. I pray that, wherever you are this summer, that you would join us in seeing the wonder of His work all around us and understand in new ways the depths of His love.

## SUMMER DAY CAMP THEME VERSE PSALM 146:6

*"He is the Maker of heaven and earth, the sea, and everything in them. He remains faithful forever."*

## ALUMNI UPDATE

**SISAMANTHA TENG,**  
CRISTO REY HIGH SCHOOL

Sisamantha Teng is no stranger to LOGAN Hope. Although it has been three full years since Sisi (as she is known by friends and campers) has walked the school halls as a student, she is a regular at Summer Day Camp and After School activities. Having been impacted by her time as a student, she regularly seeks out opportunities to give back to younger students. As she starts her senior year this year at Cristo Rey Philadelphia High School, Sisamantha hopes to go on to study accounting in college after this school year. We are proud of Sisamantha's leadership and heart of service for our school community!

# SUMMER DAY CAMP HAS SET SAIL!

**KERI KRULIK,**  
SUMMER DAY CAMP DIRECTOR

Our Summer Day Camp has set sail! We are thrilled by the work that our amazing team of staff and student interns have put in to create a safe place for our students to play, laugh, love, and grow! We have had some awesome missions teams in assisting with leading worship, praying, teaching games, and so much more! We are united through one God and it is through that global Christian Family that we will continue building God's kingdom. We are so excited to see where this voyage takes us!

## PARTNERING FOR SUMMER MISSIONS

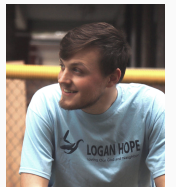

**PASTOR BEKAH LEE,**  
SUMMER MISSIONS TEAM LEADER, GCC

We are so thankful for the partnership we have in Christ with LOGAN Hope. In our week of service at Summer Day Camp, we experienced so much of God's abundance here--his goodness, mercies, kindness, hope, and love. His pursuit for this community, especially the children, is so powerful and tangible. We are grateful for the chance we had to be a part of what God is doing this summer at LOGAN Hope, which is so dearly loved.

"One thing's for sure: ever since I made the choice to obey Him through missions, I'm seeing, more and more, how relentlessly He moves, how gracious He is, and how much more broken I am."

## JOY IN JUNE UPDATE

**PARKER VOWELS,**  
DEVELOPMENT DIRECTOR

We are excited to announce that any donation brought in now through the end of the Summer will be matched up to \$50,000. We are currently only \$14,000 away from our goal! We need your help to continue providing safe, quality, and affordable education to the children of Philadelphia! Dedicated mission partners are the reason our school is able to continue serving our community and creating strong leaders for a better tomorrow!
